

7 January 1987
OGC 87-50056

MEMORANDUM FOR: Executive Officer
Deputy Director for Administration

STAT FROM:

Attorney-Advisor
Management Support Division

REF: Note From EXA/DDA to General Counsel, Dated
8 December 1986

You asked me whether the Agency maintains a list of
"compliance" documents other than executive orders, laws, and
other legal documents. I understand from our Registry that
between the OGC's DAAS system and the Executive Registry's
TRIS, just about anything noteworthy has been listed and can be
searched. Presently one system cannot pull up everything on
the others; however, a universal registry system apparently is
in the works.
